Dear Sir:

This statement is being filed in the application identified above pursuant to 37 CFR §§ 1.56, 1.97 and 1.98. Applicants call attention to the art references within the knowledge of Applicants and their attorney, which are listed on the attached PTO Form SB08A. This filing shall not be construed as a representation that a complete search has been made or that closer art references are not available. Additionally, the filing of this statement shall not be construed as an admission that the information cited in the statement is, or is considered to be, material to patentability, as defined in 1.56(b), or that any particular cited reference qualifies as "prior art" against which patentability of the claims of the present application may be evaluated.
